Reasons for Allowance

Claims 7-15, 17 and 18 are allowed.

Regarding claim 13, the closest prior art of record, Ando et al (Fig. 12) does not disclose the following limitations: the second input switch receiving signal from the first input switch when the first input switch is in the side port position and the second input switch is in the side port position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
